

# NEXT step

## Communities

Do you want your faith community to be better at **supporting transgender communities**?

Are you ready to move **beyond “Transgender 101”**?

### **Become a Transfaith NEXT STEP community!**

Our NEXT STEP communities program is a paradigm shift from traditional LGBT welcoming programs.

#### **Team-Building in YOUR community**

**Intersectional, Multi-Issue,  
Trauma-Informed**

**Action-oriented, Capacity-Building,  
Transformational**

**Multi-faith, Multi-racial, Multi-gender  
transgender leadership**

Are you tired of quick fix solutions to systemic problems?

Are you ready to help your community grow in self-awareness and community care?

Contact **office@transfaithonline.org** to start your free consultation.

#### **The NEXT STEPS starter seminar...**

- Engages a team of 3-5 leaders from your community
- Over a 3 month period of needs assessment and planning
- Using weekly content delivery through an online courseroom
- As well as monthly peer support convenings with other teams
- Supported by transgender content-experts serving as coaches and resources through your process

#### **Visibility, Viability, and Vitality**

Help your community build your own custom plan of action

Be the best  
**Friend, Ally, or Accomplice**  
you can be!
